AFFIDAVIT OF SHARI L. HEYEN

I, Shari L. Heyen, being duly sworn, depose and say:

1. I am a shareholder at the law firm of Greenberg Traurig, LLP (“Greenberg Traurig”), which maintains offices for the practice of law, including at 1000 Louisiana, Suite 1700, Houston, Texas 77002. I submit this affidavit on behalf of Greenberg Traurig in support of the application (the “Application”)¹ of the above-captioned debtor and debtor in possession (the “Debtor”) in the above-referenced Chapter 11 Case (the “Case”), for entry of an Order, pursuant to 11 U.S.C. §§ 327(c) and 328(a) and Federal Rules of Bankruptcy Procedure 2014 and 2016, authorizing the retention and employment of the law firm of Greenberg Traurig, LLP (“Greenberg Traurig”), as counsel for the Debtor effective, as of September 30, 2009 (the “Affidavit”). Except as otherwise indicated herein, I have personal knowledge of the matters set forth herein and, if called as a witness, would testify competently thereto.²

¹ Capitalized terms used herein but not otherwise defined shall have those meanings set forth in the Application.

² Certain of the disclosures herein relate to matters within the knowledge of other attorneys at Greenberg Traurig and are based on information provided by and to them.

QUALIFICATIONS OF GREENBERG TRAURIG, LLP

2. Greenberg Traurig maintains an office for the practice of law in Houston, Texas, where this Case is pending and has extensive experience appearing before the courts in this district. In addition, Greenberg Traurig has substantial experience representing debtors in reorganization cases. Greenberg Traurig is an international law firm with more than 1,800 attorneys in 30 offices. The members of the firm practice in almost every practice area, including bankruptcy, workouts, litigation, business, international trade, employment, tax, labor, corporate, and commercial law.

GREENBERG TRAURIG DOES NOT HOLD OR REPRESENT ANY ADVERSE INTEREST TO THE DEBTOR

3. To the best of my knowledge and information after due inquiry, Greenberg Traurig does not hold or represent any interest adverse to the Debtor. As more fully described hereinafter, Greenberg Traurig maintains a computer client database (the "Client Database") containing the names of all of Greenberg Traurig's current and former clients and, where practical, the known affiliates of those clients. In connection with preparing this Affidavit, I caused to be submitted to, and checked against, that Client Database all of the following information: (a) the Debtor; (b) the Debtor's secured creditors; (c) the Debtor's known officers and directors; (d) the Debtor's professionals in this Case; (e) the entities identified in the Debtor's creditor matrix; and (f) the U.S. Trustee's Office for this Region (collectively, the "Potentially Interested Parties"). A list of the Potentially Interested Parties is attached hereto as Exhibit 1. Greenberg Traurig compared the names of the Potentially Interested Parties against the Client Database. The Debtor understands that Greenberg Traurig is still in the process of comparing the Potentially Interested Parties to the Client Database, as the identity of additional

Potentially Interested Parties becomes known, and will supplement this Affidavit to the extent necessary.

4. This inquiry revealed that certain of the Potentially Interested Parties are current or former Greenberg Traurig clients (the list of such clients is attached hereto as Exhibit 2 and is incorporated herein by reference, and is referred to herein as the “Client Match List”). Through the information generated from the above-mentioned computer inquiry, and to the extent necessary, through follow-up inquiries with Greenberg Traurig attorneys responsible for certain clients listed on the Client Match List, except as disclosed herein, Greenberg Traurig determined that the representation of those clients on the Client Match List concerned matters unrelated to the Debtor or this Case.

5. Through a firm wide e-mail, Greenberg Traurig also solicited information from its attorneys to determine if any attorneys employed by Greenberg Traurig are related to the Honorable Bankruptcy Judge presiding over the Case, the United States Trustee for Region 7, or any person employed in the Houston office of the United States Trustee. No such connections have yet been discovered. In the event that any additional information is received, Greenberg Traurig will supplement this Affidavit to the extent necessary.

6. Greenberg Traurig maintains and systematically updates its Client Database in the ordinary course of business, and it is the regular practice of Greenberg Traurig to make and maintain these records. The Client Database maintained by Greenberg Traurig is designed to include every matter on which Greenberg Traurig is now or has been engaged, the entity by which Greenberg Traurig is now or has been engaged and, in each instance, the identity of related parties and adverse parties and the attorney at Greenberg Traurig that is knowledgeable about the matter. It is the policy of Greenberg Traurig that no new matter may be accepted or

opened without completing and submitting to those charged with maintaining the Client Database the information necessary to check each such matter for conflicts, including the identity of the prospective client, the matter, and related and adverse parties. Accordingly, the Client Database is regularly updated for every new matter undertaken by Greenberg Traurig.

7. As expected, with approximately 1,800 lawyers internationally, Greenberg Traurig necessarily has connections with certain creditors and other parties-in-interest. In addition, Greenberg Traurig and certain of its shareholders, counsel and associates may have in the past represented, may currently represent, and likely in the future will represent parties-in-interest of the Debtor in connection with matters unrelated to the Debtor or this Case. Moreover, Greenberg Traurig appears in many cases, proceedings, and transactions involving different attorneys, financial consultants and investment bankers, some of which may now or in the future represent the Potentially Interested Parties or other parties-in-interest in this Case. From time to time, Greenberg Traurig will review its disclosures in this Case and in the event that additional material connections are discovered, Greenberg Traurig will disclose such information to the Court on notice to parties-in-interest and the United States Trustee.

8. None of Greenberg Traurig's representations of parties-in-interest in this Case comprise a material component of Greenberg Traurig's practice, nor does it represent such parties on any issue relating to the Debtor's estate.

SCOPE OF EMPLOYMENT

9. The Debtor anticipates that Greenberg Traurig may render the following services in this Case:

- a. providing legal advice with respect to the Debtor's powers and duties as debtor in possession in the continued operation of its business and management of its property;

- b. negotiating, drafting, and pursuing all documentation necessary in the Case as determined in conjunction with Greenberg Traurig;
- c. preparing on behalf of the Debtor all applications, motions, answers, orders, reports, and other legal papers necessary to the administration of the Debtor's estate;
- d. appearing in Court and protecting the interests of the Debtor before the Court;
- e. assisting with any disposition of the Debtor's assets, by sale or otherwise;
- f. attending all meetings and negotiating with representatives of creditors, the United States Trustee, and other parties-in-interest;
- g. providing legal advice regarding bankruptcy law, corporate law, corporate governance, securities, employment, real estate, transactional, international trade, tax, labor and other issues to the Debtor in connection with the Debtor's ongoing business operations; and
- h. performing all other legal services for, and providing all other necessary legal advice to, the Debtor which may be necessary and proper in this Case.

PROFESSIONAL COMPENSATION

10. Greenberg Traurig intends to apply for compensation for professional services rendered in connection with this Case subject to the approval of this Court and in compliance with applicable provisions of the Bankruptcy Code, Bankruptcy Rules, the Bankruptcy Local Rules for the Southern District of Texas, and Orders of this Court, on an hourly basis, plus reimbursement of actual, necessary expenses and other charges incurred by Greenberg Traurig. The principal attorneys proposed to act as counsel to the Debtor are:

Professional	Rate Per Hour
Scott Cousins	\$685
Shari L. Heyen	\$615
Sandra Selzer	\$475
Denis Meloro	\$455
Maggie Conner	\$325
Max Riffin	\$275
Gail Jamrok (Paralegal)	\$200

Other attorneys and paralegals will render services to the Debtor as needed. Generally, Greenberg Traurig's hourly rates are in the following ranges:

Professional	Rate Per Hour
Shareholders	\$450 to \$1050
Of Counsel	\$450 to \$900
Associates	\$275 to \$575
Legal Assistants/Paralegals	\$180 to \$310

11. The Debtor understands that the hourly rates set forth above are subject to periodic adjustments to reflect economic and other conditions.

12. The hourly rates set forth above are Greenberg Traurig's standard hourly rates for work of this nature. Greenberg Traurig's standard hourly rates are set at a level designed to fairly compensate Greenberg Traurig for its work and to cover fixed and routine overhead expenses. It is Greenberg Traurig's policy to charge its clients in all areas of practice for all other expenses incurred in connection with the client's case. The expenses charged to clients include, among other things, telephone and telecopier toll and other charges, mail and express mail charges, special or hand delivery charges, document processing, photocopying charges, travel expenses, expenses for "working meals," computerized research, and transcription costs, as well as non-ordinary overhead expenses such as overtime for secretarial personnel and other staff. Greenberg Traurig will charge the Debtor's estate for these expenses in a manner and at rates consistent with charges made generally to Greenberg Traurig's clients. Greenberg Traurig believes that these expenses should fairly be charged to the clients incurring them rather than to increase the hourly rates and spread the expenses among all clients. In addition, Greenberg Traurig intends to seek compensation for all time and expenses associated with its retention in accordance with Sections 330 and 331 of the Bankruptcy Code and any orders of this Court,

including the preparation of the Application, this Affidavit, and related documents, as well as any monthly fee statements or interim or final fee applications.

13. Other than as set forth herein, there is no proposed arrangement to compensate Greenberg Traurig. Greenberg Traurig has not shared, nor agreed to share (a) any compensation it has received or may receive with any other party or person, other than with the shareholders, counsel and associates of Greenberg Traurig, or (b) any compensation another person or party has received or may receive.

14. By reason of the foregoing, I believe Greenberg Traurig is eligible for employment and retention as counsel for the Debtor pursuant to Sections 327(a) and 328(a) of the Bankruptcy Code and the applicable Bankruptcy Rules.
